Certified Iyengar Yoga Teacher • Authorized Iyengar Yoga Teacher Trainer  
Certification Assessor for the BKS Iyengar Yoga Association of the US  
Director of the Center for Yoga of Seattle

**Limited  
to 35  
Students**

**THIS COURSE** is designed for those looking to receive as thorough an introduction to teaching yoga as possible in a 4 week time period. Richard Schachtel is one of the most experienced Yoga Teacher Trainers in the US and has been giving teacher training since 1986. Students from around the world have been coming to Seattle for his summer teacher trainings for over 10 years. His program through the Center For Yoga of Seattle is one of only 29 authorized Iyengar Yoga Teacher Training Programs in the US.

The course is approved by the Yoga Alliance as meeting their 200 hour yoga teacher training requirements. The course is modeled upon the first two syllabi of the BKS Iyengar Yoga Association of the United States certification manual. Those who pass all open book take home tests (which can be retaken until passed) will receive a certificate of completion from The Center for Yoga of Seattle as graduates of its 200 Hour Yoga Teacher Training course as well as a Yoga Alliance 200 Hour Teaching Certificate.

Graduates will not be certified Iyengar Yoga teachers which requires a minimum number of years of exclusive practice and teaching of Iyengar Yoga, recommendations by intermediate or advanced Iyengar Yoga Teachers, and a 3 step examination process, and more. Each country's requirements may vary. The one month training is an excellent preparation for assessment for qualified Iyengar Yoga students and the training is the same that Richard gives over a 2 year period in the US where students are prepared to take the examinations to become fully certified Iyengar Yoga teachers.

## Curriculum for the Training Includes:

- Iyengar Yoga Asana: Understanding the key postures like standing poses, shoulderstand, headbalance (see more detailed list on reverse side)
- Iyengar Yoga Pranayama and restoratives: Theory and practice of the core pranayamas and relaxation techniques
- Iyengar Yoga Methodology: BKS Iyengar's 5 step format for teaching
- How to teach; the arts of demonstration, instruction, observation, and correction
- Sequencing of classes, and courses
- Student teaching and peer feedback
- Yoga Anatomy
- Key concepts from The Yoga Sutras
- Ethics of Teaching Yoga
- Ethical Business Practices

Each action packed day of the training will include practice time of the various postures, relaxation or pranayama and theory classes. Some days will include observing Richard in teaching public classes as well as student teaching to your peers.

**Excellent  
Preparation  
for the  
Iyengar Yoga  
Certification
